STATEMENT OF AMICUS CURIAE, Richard

I live in a little town called Sanger, Texas. I go to school at Chisholm Trail Elementary School. I think the State of Texas should be fair to all the children who go to school in Texas. I think that just because a child goes to school in a little town doesn't mean his school should get less money. It takes as much money to run a school in a small town as in a larger town. We need your help!

I urge you to hear and support Edgewood v. Kirby.

I authorize an attorney selected by the Equity Center to incorporate this statement in an amicus brief on my behalf supporting Petitioners and Petitioner-Intervenors in the Edgewood case.

Thank you,

Student

STATEMENT OF AMICUS CURIAE, Bobby

I go to school in a little town called Sanger. It is in Texas by a new lake. Some people say they pay alot of tax money to live here. Some people say our schools don't get as much money as Dallas and San Antonio. I don't think that is fair. In school, we have learned one person is just as important as another person. I think I am just as important as a child who goes to school in a big city, and my school is just as special as the schools in Dallas. The State of Texas should be fair to every child and every school. My school should get just as much money as the bigger schools do.

I urge you to hear and support Edgewood v. Kirby.
